Education

University of Pennsylvania
Bachelor of Science in Engineering in **Computer Science**, *3.0*
May, 2017

Coursework

Current:
- Operating Systems
- Scalable and Cloud Computing

Prior:
- Introduction to Algorithms
- Software Design/Engineering
- Programming Languages and Techniques I & II
- Introduction to Computer Architecture
- JavaScript: Intro to Front End Web Development
- Automata, Computability, and Complexity

Skills

Languages & Frameworks
(in order of proficiency):

Java, JavaScript, jQuery, HTML5/CSS, Node.js, React.js, Backbone.js, OCaml, Hadoop MapReduce, C, Python, C++

Other Tools and Skills:

Android Development, git, AWS, Linux/UNIX, Agile Development

Projects

School/Team:
Study Buddy, Web App—CIS350 Group Project
Fync, Web App—PennApps X
FB Messenger Encryption, Chrome Extension—PennApps XII
Personal:
Common Actors and *Color Changer*, published Android Apps

Employment Experience

Teaching Assistant (TA)   Aug 2014 - Present
U. of Pennsylvania, School of Engineering and Applied Science
CIS-120: Programming Languages and Techniques I
- Assist in teaching of functional and object-oriented programming in OCaml and Java
- Hold weekly office hours to help students one-on-one with homework/concepts
- Lead weekly recitation of approximately 20 students to review lecture material
- Plan lab lessons, grade homework and exams, update homework assignments prior to release

Instructor   June – July 2015
iD Tech Programming Academy, Princeton University
Programming Labs 101
- Instructed 2-week sessions of the Programming Labs 101 course to high school students, class size of 8
- Introduced programming concepts and revealed similarity between different languages
- Taught Java, C++, Python, JavaScript, HTML, and CSS; also introduced various IDEs
- Fostered passion for programming—at least 4 students claimed they wanted to study CS in college

Web Developer   Jan - May 2015
The Daily Pennsylvanian, (U. of Pennsylvania Newspaper)
- Built special websites for featured stories such as the Penn Bracket and the Best of Penn 2015
  - Both pages were among the top visited newspaper-affiliated websites when published
- Wrote and embedded HTML, CSS, and JavaScript into stories on the newspaper's website

Information Center Specialist   Aug – Dec 2014
U. of Pennsylvania Residential Services, Gregory College House
- Worked as central service provider for resident and guest services
- Issued and updated SALTO room keys for residents, and logged service activity and other residential issues

Interests
Rock Climbing, Snowboarding, Movies, Sudoku
